General Purpose Motors

	1 PHASE	3 PHASE
Rigid Base	1/6 thru 10 HP	1/4 thru 350 HP
C Face	1/4 thru 10 HP	1/4 thru 350 HP
Resilient Base	1/4 thru 2 HP	1/3 thru 3 HP
Premium Efficiency WATSAVER	1/4 thru 2 HP	1/3 thru 350 HP
Explosion-proof	1/3 thru 3 HP	1/3 thru 250 HP
Food Processing - Washdown	1/3 thru 10 HP	1/3 thru 350 HP

Metric/IEC Motors

- AC and DC available from stock
- .018 kW thru 37 kW (AC)
- .06 thru 2.2 kW (DC)
- B3, B5 & B14 mounting
- High-efficiency design meets or exceeds NRCan and EPACT levels

Direct Current Motors

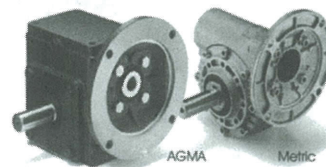

- Low Voltage 12,24, 36 VDC
- SCR PM Rated..... 90 & 180 VDC
- Sub-FHP..... 1/25 thru 1/4 HP
- NEMA frame..... 1/4 thru 3 HP
- IEC frame..... .06 thru 2.2 kW
- SPEEDMASTER® Adjustable Speed Drivers available

Brakemotors

- Stock and Custom thru 250 HP
- BrakeKit® available for quick field installation
- Full Stock or Stearns brake parts

AC/DC Drives Sheaves Motor Control

Worm Reducers

- Premium cast iron and aluminum worm reducers
- High temperature seals and synthetic lube - std.
- Hydro-Mec **metric** boxes available from stock
- Drop-in replacements for most brands
- WASHGUARD® to 5 input hp

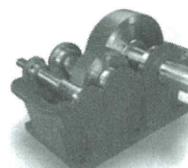

Inline Reducers

- Aluminum housing designed for rugged service and long life
- A wide array of mounting for maximum flexibility and direct replacement
- 1/4 to 7-1/2 input hp
- Cast Iron available thru 50hp

Sub-fractional HP Gearmotors

- AC Parallel Shaft .12 thru 1105 lb.in. output torque
- AC Right-Angle .. 14 thru 113 lb. in. output torque
- DC Parallel Shaft .10 thru 1112 lb.in. output torque
- DC Right-Angle ..5 thru 135 lb. in. output torque

Foote-Jones

- Parallel Shaft Reducers
- Shaft mount reducers
- Custom gearing

BARNES®

SALES • PARTS • SERVICE

The Barnes family of
pump products provides
versatility, high
performance and
unequalled value.

For more than a century,
design and specifying
engineers, plumbing
contractors and
end-users including
homeowners have relied
on Barnes Pumps for
reliability and durability.

From mundane but essential applications like
sewage and wastewater to decorative fountain
pumps found in the town square, Barnes Pumps
delivers innovative, cost-effective solutions with
speed and accuracy.
